About me:

I am a Web Designer and Developer with 2 years of experience, specializing in creating modern, responsive, and user-friendly websites. I have designed and developed several websites for various clients.

My skills include HTML, CSS, JavaScript, React, Angular, and Node.js, along with proficiency in design tools like Photoshop, Illustrator, and InDesign.

I am dedicated, creative, and always learning, aiming to deliver high-quality and innovative work in any situation.
